## **II. Chair's Report:**

Administration activities:

- Attended USA Foundation meeting which was productive. Financial discrepancy noted and was addressed by the accounting firm and corrected. Corrected report sent to USA Foundation.
- Met with USA Board of Trustees and involved in discussion and approval of bond issue. Monies will be used for: rollover of previous bond, Nursing/Allied health bldg., Bell Tower, new student recreation center and general repairs and maintenance.
- Appreciation of Dr. and Mrs. Steve Stokes for their contribution to the University with a newly developed writing award.
- Search continues for Vice-President for Research. Irene encouraged senators to be involved with the process and noted this was a brand new position intended to unite, support and develop research efforts.
- Future guests include Gordon Stone in February to discuss Higher Education and Higher Education Day and, Joe Busta in March will discuss USA Leadership Campaign
- Reminder of Faculty Senate night with Dr. and Mrs. V. Gordon Moulton is February 24 and to inform Irene of requests

Executive Committee: Did not meet with President Moulton or Dr. Covey. Issues presented by caucus leaders were discussed.

Guest: None

## **III. Old Business:**

- Planning and Development- Nicole Flynn

USA University Club- Has requested the committee be merged with administration efforts to include faculty, administration and staff. Discussion continued concerning the future role of faculty and faculty senate. Update on facility- encouraged senators to see the progress.

Academic Policy and Faculty Handbook - (I.Z. Brown). Changes noted by senators regarding grade grievance. Policy was approved.

- Library promotion time in rank from associate to senior librarian issue: changed from five years to three years to match faculty handbook; changes approved.

#### **IV. New Business:**

- Senate resolution for Dr. Charles B. Rodning

#### **V. Reports from standing committees**

Salary and Fringe Benefits-Michael Doran/ Jean Irion:

Discussed a “Health Assessment Questionnaire” from Blue Cross and Blue Shield which would identify possible health issues of clients ( USA members) and increase education of those issues for the client via mail. Committee is awaiting approval of incentive, possibly a \$25.00 for completing the survey. Privacy concerns were voiced by some senators with result of additional information being requested by the committee.

Environmental Quality-Susan Santoli: No report.

#### **Other standing committees:**

Academic Development and Mentoring (B. Beverly):

Report of the Academic Development and Mentoring Program Committee, Jan. 17, 2007

The committee will plan to meet soon to address the following:

1. We received fewer than 5 responses in an attempt to get anonymous feedback regarding New Faculty Orientation. The committee, however, will review these comments.
2. Dr. Covey's office was contacted in October regarding New Faculty Orientation evaluations by participants. This feedback, de-identified and/or summarized, was requested for our review and discussion. Brenda Beverly will attempt to contact Nicole Cohron in that office again to obtain this.
3. Alla Zakharova shared a summary of evaluations by participants of the PETAL program. The committee will review this information.
4. The committee planned to redress issues of faculty mentoring after some fact finding. Brenda Beverly will continue to try to access information regarding concrete mentoring programs within educational systems to share with committee members.

Brenda L. Beverly, Ph.D.

Associate Professor

Evaluation (T. Hain): Affirmative Action Document discussed. Fine tuned faculty survey. Addressing issues of privacy and how to assure faculty of privacy in their responses. Possible solution is to have caucus leaders discuss issue with their constituents.

Planning & Development (N.Flynn) : No report.

Technology Utilization (Kristy Britt): Discussed a technology fair for faculty and if there was interest. Survey may cover this issue. Still reviewing the personal clickers for classroom usage.

#### **Caucus Leaders Reports**

Allied Health (Bob Moore): No report

Arts & Sciences (Tony Wright):

- Met with Dr. David Johnson, positive outcome.
- Request the executive committee discuss two faculty benefits concerning continuing education issues: 1. The University reimburse for a total of six hours not five as is currently offered and 2. Review taxing on reimbursement monies for the faculty member

Computer & Information Sciences (Thomas Hain): No report.
