December Med School Café to Address Treatment of Gastroesophageal Reflux Disease

Med School Café for December will feature Dr. Meir Mizrahi, assistant professor of internal medicine at the University of South Alabama College of Medicine and a gastroenterologist with USA Physicians Group.

His lecture, titled "How to Treat Gastroesophageal Reflux Disease," will be held Wednesday, Dec. 5, at the Faculty Club on USA's main campus. Lunch will be served at 11:30 a.m., and the presentation will begin at noon.

Dr. Mizrahi earned his medical degree from the Bologna School of Medicine in Bologna, Italy. He completed his residency training and a fellowship in gastroenterology at the Hadassah Medical Center in Jerusalem, Israel. He then completed a research and clinical fellowship at the Beth Israel Deaconess Medical Center, a teaching hospital of Harvard Medical School, in the Center of Advanced Endoscopy in Boston.

Med School Café is a free community lecture series sponsored by USA Physicians Group. Each month, faculty from the USA College of Medicine and USA Physicians Group share their expertise on a specific medical condition, providing insight on the latest treatment available.

The Med School Café lunch and lecture are provided free of charge, but reservations are required. For more information or to make reservations, call Kim Partridge at (251) 460-7770 or e-mail kepartridge@health.southalabama.edu.
