Nominate outstanding colleagues for Employee of the Month

Do you have an exceptional colleague or employee in your department - one who consistently goes above and beyond his or her professional duties? USA Health Physicians Group is accepting nominations for Employee of the Month.

Monthly honorees will receive one paid administrative day of leave. The day of leave must be scheduled and approved in advance and will be based on their normal work schedule. For example, if the employee normally works an 8-hour shift, the administrative day of leave will be 8 hours.

All USA Health Physicians Group employees, including full-time and part-time status, who have completed their six-month probationary period are eligible to be nominated for the award. Physicians and members of administration are not eligible for the award.

To nominate an employee, fill out the [USA Health Physicians Group Employee of the Month Nomination Form](#).

USA Health welcomes neuroradiologist Gregg Delgado, D.O.

Gregg Delgado, D.O., recently joined USA Health as a neuroradiologist. He also serves as assistant professor of radiology at the University of South Alabama College of Medicine.

Delgado earned his medical degree from Michigan State University in East Lansing. He completed his residency training in radiology at Garden City Hospital in Garden City, Michigan. He completed a fellowship in neuroradiology at the University of Texas Health System in San Antonio, followed by a fellowship in musculoskeletal radiology at Birmingham Radiological Group in Birmingham, Alabama.

He is a member of the American College of Radiology, American Osteopathic Association and American Society of Neuroradiology. He is board certified by the American Osteopathic Board of Radiology.
